

# WFSL JANUARY 2014 NEWSLETTER

It's mid-January and we are Open and skiing! We have survived the January Thaw and Winter is set to return this Sunday with a snowfall warning for most of Nova Scotia.

Programs are entering their third weekend and so far everything has been going great! This is due in large part to our excellent coaches! Thank you all very much for your hard work!

---

Coach of the week January 12 **Frankie Martin**. Thank you Frankie for helping organize J&B as well as for coaching both J&B and Dev program.

Athlete of the week January 12 **Sean Balfour**. Sean you're skiing moguls like a champ!

---

**Jan 4<sup>th</sup> WINE & CHEESE** was a huge success. We had almost 30 parents stop by to meet and greet. Many topics were discussed and new committees created.

The Competitions Committee is now meeting every Saturday to review the status of the WFSL competitions. We are working with CFSA on developing a WFSL TD for the upcoming Mogul competition.

Competition notices have been sent out and posted on the Ski Wentworth website WFSL update page.

WFSL is now in the process of investigating and documenting the best way to purchase an AIRBAG. If you are interested in becoming involved please email us at [freestyleskileague@skiwentworth.ca](mailto:freestyleskileague@skiwentworth.ca)

Fundraising is necessary to facilitate the AIRBAG and other programs. There is a Fundraising committee meeting Saturday January 18<sup>th</sup> at 12:30 pm in front of the Port Greville room.

---

The Jumps and Bumps passports are now being tracked and recorded. This is a record of what skills your young athlete has learned and put into action. If you are curious to know how far your child has progressed please stop by the drop off point and check with either Sasha, Frankie, or Thor.

---

We have Three new pages that will help cut down on emails. Check here for updated info.
