Once again this year, Wentworth will be offering *Early Bird Rates* for the 2016-2017 season. Don't miss out on your opportunity to secure your pass and the option to spread the cost over as many as 4 months. **Bonus!** Check out the options on the enclosed application form.

Ski Insure -Season Pass Cancellation Insurance

No deferral/refund will be issued without purchase of Ski Insure.

Wentworth offers protection for your investment in a season pass. For just \$25/person or \$100/family season pass including taxes you can insure your pass will be deferred/refunded if you are unable to ski by reason of injury, illness or unexpected job relocation. Coverage begins when you purchase your pass.

Ski Insure

Season Pass Cancellation Insurance

Wentworth will defer/refund your pass fee in the event:

1. An injury, illness or other certified medical condition prevents the insured skier from participating in the sport.
2. The insured skier is relocated outside a reasonable radius of Wentworth as a result of a job transfer.

Amount of deferral/refund:

Should the insured become incapable of skiing at Wentworth before the season begins, the full pass will be deferred/refunded. Once the pass has been issued and season begins, deferrals/refunds will be based on 100 ski days. (Ex. If Wentworth has had 20 Ski Days when you are transferred and unable to ski, your deferral/refund equals 80% of your pass.)

Conditions:

*****Insurance must be purchased at the same time as your pass.*****

- The period of non-participation must be at least 30 days.
- Claim must be made within 30 days and the pass must be surrendered immediately.
- Insurance does not cover incapacitation caused or contributed by intentional self injury.

How to make a Claim

1. Present your claim at the ski area within 30 days.
2. You are required to present:
 - a. season pass
 - b. a report/notification from your doctor, complete with date on which the medical condition precluded skiing and prognosis.Or in the event of job relocation, a letter from your employer will be required.
