

The **Wentworth Snowboard League** is run by Ski Wentworth as a separate Club. It's a skills development program focused on providing a safe, relaxed and educational environment to challenge and promote skill development both physically and mentally. WSL's goal is to set the foundation of the fundamental snowboard skills required for competition, employment as an instructor or coach or simply enjoy skillful snowboarding for life. Parents are expected to volunteer with site construction, competitions and fundraising events.

Wentworth Snowboard League works with the Canada Riders Snowboard Program to provide a 3-stage development program, GREEN, BLUE and BLACK. Each level takes approximately one season, depending on skill level and development. Riders will progress through stages based on a building block system of acquiring, consolidating, and refinement of skills and goals. Riders will be educated in the whats, whys and hows of a wide range of skills in an attempt to open rider's minds to the technical side of snowboarding, in turn aiding rider's in self analysis and improvement. All riders must have a Snowboard Nova Scotia full membership allowing them to compete in SBNS competitions (additional costs for events). Once a rider has successfully completed BLACK they will have the opportunity to try out for the Snowboard Nova Scotia Wentworth Development team.

Green (8-12)

Riders should have basic novice skills
Novice skill acquisition and consolidation

Blue (8-12)

Novice skill refinement
Intermediate skills acquisition and consolidation

Black (10-16)

Intermediate skill refinement
Advanced skill acquisition and consolidation

WORLD CLASS FACILITIES & VENUES

Ski Wentworth boasts competitive level slopestyle, boardercross and year round Bag Jump facilities. The sites are open for training as soon as snowmaking and weather permits. Wentworth also builds a permanent skier/boardercross for season long training and competitions. In addition, Ski Wentworth has two terrain parks with features of varying levels to suit athlete development.

Off Season Training & Camps

Once enrolled in a WSL program, athletes are encouraged to participate in off season training and camps. This includes: Bag Jump, Trampoline, Dryland Training and On-Snow Training Camps.

Bag Jump

Year round training is now available at Ski Wentworth's Freestyle Training Centre. Season passes, day passes and training camps will be available for qualified athletes.

Trampoline/Dryland Training

Trampoline is offered in conjunction with the Wentworth Freestyle Ski League at the Titans Gymnastics Club in Dartmouth in the Fall. This is an essential part of snowboard training and highly recommended by coaches for all development and competitive athletes.

On-Snow Training Camps

WSL may offer a pre and post-season on-snow training camps.
