COVID-19 Update from Nova Scotia Snow Resorts

To all our guests:

With growing concerns around COVID-19 and today's announcement by the Nova Scotia provincial government, we want to provide an update on our response to date and commitment to you moving forward. The health and safety of our staff and guests is top priority. The ski areas of Nova Scotia - Martock, Ski Wentworth, Ski Ben Eoin and Ski Cape Smokey - are committed to providing a safe and comfortable experience.

The Nova Scotia Snow Resorts, part of the Atlantic Snow Resorts Association, plan to continue daily operations as scheduled unless otherwise directed. We continue to follow Public Health advisory's with respect to personal hygiene and precautions.

All ski areas have hand sanitizing locations located in various locations on the property. As part of our regular operations, our staff continue to diligently clean & disinfect public surfaces.

Staff at all ski areas have been notified that if they feel any COVID-19 symptoms, to not come to work and contact the local health department, follow their guidelines, and keep their department managers informed.

All staff and customers are reminded to practise good hand hygiene set out by the provincial government: Wash or sanitize hands often, particularly before and after preparing or eating food, after handling waste or bathroom use, after shaking hands. Use cough and sneeze etiquette. Cover coughs and sneezes with a tissue. Dispose used tissues in the garbage and wash your hands, or use an alcohol-based hand rub immediately after. If you don't have a tissue, cough and sneeze into your elbow, not your hand. Avoid touching your eyes, nose, and mouth with unwashed hands.

To protect yourself and others, we ask that anyone who is feeling unwell refrain from visiting us so that together we can ensure a safe and comfortable experience for everyone.

The Nova Scotia Ski Areas will continue to monitor the situation closely and will provide ongoing updates as needed.

Sincerely,

Management of Martock, Ski Wentworth, Ski Ben Eoin and Ski Cape Smokey
