Announcement from the Nova Scotia Ski Resorts

Martock, Ski Wentworth, Ski Ben Eoin, Ski Cape Smokey

It is with a mixture of appreciation, resolve and concern for the health of our staff and guests, that we announce the end of the 2019-2020 ski & snowboard season in Nova Scotia effective end of operations on Tuesday, March 17.

With growing concerns over the spread of COVID-19 and with the well being of our staff and customers in mind, we collaboratively made the decision to cease operations. All Nova Scotians are being asked to do their part to help flatten the curve of the spread of COVID-19. The Ski Areas of Nova Scotia operate across the province and want to help ensure we're doing what's right for our staff, families, neighbours and ski & snowboard community.

Let's play safe together on the final day of the season on Tuesday, March 17.

Thank you for your continued support,

Management of Martock, Ski Wentworth, Ski Ben Eoin and Ski Cape Smokey
